Re: Tracey Bell: 8 Diva's in 44 Minutes

We had the pleasure of being entertained by Tracey Bell and her '8 Divas' show at our annual corporate awards gala on March 14, 2014. Tracey also performed for us in 2013 and typically, we would not consider repeat entertainment at this gala; however, Tracey is our only exception because she is an exceptional entertainer.

Tracey's ability to impersonate and transform into each of her characters is baffling and captivating. The facial resemblance and body mannerisms are flawless and leave a lasting impression on everyone in the room. I received rave reviews about both of Tracey's show for many days afterwards.

As an event planner, I was grateful and delighted to have worked with a true professional entertainer. Tracey is committed to delivering a remarkable, one-of-a-kind show. She is a class act; she is 'Simply the Best'.

Sincerely,
Alberta-Pacific Forest Industries Inc.
