To Whom It May Concern,

Reference: Tracey Bell, Celebrity Impersonator

I have had the good fortune to book Tracey Bell for three events over the past 10 years and not once has she disappointed my audience. Even the "least likely to get up and party" guest at all of these events have pleasantly shocked their peers by participating wholeheartedly in Tracey's highly interactive performance.

The most recent event was for the BC Chamber Executive (BCCE) AGM Dinner in New Westminster, BC in September 2014 and again Tracey wowed the crowd beyond expectation. Her professionalism and ability to inspire an audience to truly celebrate whatever the cause or event is quite remarkable.

As chair of the BCCE Conference Committee I was excited to introduce Tracey and her Divas to our membership. In advance of the event some members were excited to see Tracey's show as they had heard how great she is and the few who hadn't heard about her were curious and those who had seen her show before were eagerly anticipating what they already knew would be an outstanding performance, a great event and different than what they had seen before because the audience was different.

When you hire Tracey Bell as your entertainment you can be guaranteed that you'll have an event that people will talk about and those who didn't attend wish they had been able to join in the fun, the memories, and the laughter.

I wish Tracey Bell and her 8 Diva's continued success and gratitude for bringing pure joy to every event that I have ever hired her for.

Sincerely,  
THE COLUMBIA VALLEY CHAMBER OF COMMERCE
