Over the past 20 years our organization has had the pleasure of working with Tracey Bell and we couldn't be happier. As a much needed community resource and not for profit, events are critical to the success of our organization. Tracey has performed at many of our past events and most recently performed at our Project Empty Bowl Gala where over 400 attendees came together to support those less fortunate in our community.

Project Empty Bowl was held on June 26<sup>th</sup>, 2014 where Tracey performed to an incredibly enthusiastic crowd. It's not only Tracey's amazing talent that brings people together but it's the way in which she performs, drawing people in and making them feel engaged...in a way...they really are part of the show!

Project Empty Bowl continues to be one of our Signature events raising public awareness and over \$100,000 to provide food and nutritional support to individuals and families. We couldn't do it without the generosity of people like Tracey Bell who bring something very special to our event.

Tracey is kind, generous and has a wonderful spirit, I couldn't think of a person that is more deserving of this award and I congratulate her on the nomination.

Sincerely,

Lisa Martella
