

January 5, 2015

Ms. Tracey Bell
c/o traceybell@telus.net

Dear Tracey,

Thank you so much for the outstanding performance you gave at our Visions Gala on November 22, 2014. Your show was colourful, dynamic, and so much fun for guests.

Our gala was a great success, raising \$468,000 for specialized cardiac ultrasound machines that will benefit the health outcomes of thousands of heart surgery patients. The enthusiasm and lively energy you brought to your performance certainly helped us to engage our audience to give to this most important cause.

Since the gala several of our long-time guests have let us know that your performance made this year very special for them. Many of them raved about your performance and especially your involvement with the audience. Once again, our deepest thanks for a job well done. We wish you much success in 2015.

Sincerely,

Melanie Mahlman, MBA, CFRE
