Re: Tracey Bell

I would like to take this opportunity to thank you very much. You were a huge hit at the Blakes, Cassels & Graydon LLP 150th Anniversary client event.

You truly are a very talented and unique entertainer and also a very nice individual. Your inner warmth, kindness and your delightful personality radiates from you. You were an absolute pleasure to work with. Your brilliant high energy impersonations of the divas - Cher, Liza Minnelli, Madonna and Tina Turner had the 600 plus guests in attendance rocking!!

The Corporate Special Event Network without question would highly recommend Tracey Bell for any corporate event.

Thank you,

Greg Galloway
