Re: Letter of Reference for Ms. Tracey M. Bell

Dear Sir or Madam:

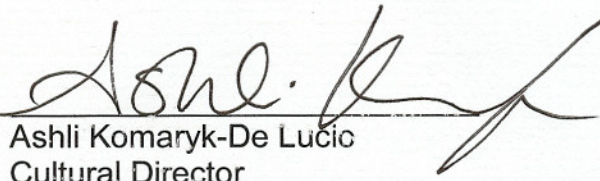

For the second time in about 4 years, we hired Tracey M. Bell on March 17, 2007 for our 2nd Annual Italian Pasta Party at the Italian Cultural Centre. She delighted our audience once again with a marvellous, high-energy performance that left the crowd cheering and not wanting her show to end! Her involvement of audience members on stage created a more interactive experience for the entire crowd and truly enhanced their enjoyment of the presentation.

Aside from her superb stage presence and delivery, I must commend Ms. Bell for her high degree of professionalism in preparation of her show. She sent us well in advance of her performance a very detailed technical rider detailing all specifications of her technical requirements and on the day of the show she spent several hours rehearsing with our sound and lighting technician to ensure sure even the smallest details of the show would be perfect.

Tracey Bell is a reliable professional; she is flexible and adaptable with a tremendously positive approach to all aspects of her work. We would most certainly hire her again without hesitation.

Please feel free to contact me for any further information.

Yours very sincerely,

Ashli Komaryk-De Lucio
Cultural Director
