To whom it may concern:

My name is Bev Kendy, Chairperson for the 100 Mile House B.C. annual Little Britches Street Festival held on the Long Weekend in May every year. Having been chair of the Festival for the last 7 years I have had the pleasure of booking many quality acts from all over the world. I have only brought back one act during my tenure and Tracy Bell, Female Impersonator is that act. She was simply amazing! Tracy set the town on its ear the first time she appeared. The people in town fell in love with her and were insistent on me bringing her back. Besides being one of the most talented people I have ever seen at this type of venue, she could adapt to any challenges a small venue might face and never miss a beat. To say she is the best act I have ever booked is an understatement. She is the most professional, dynamic and energetic person I have had the honour of hiring. When people phone me and ask for a reference all I say is the biggest mistake you will make is not hiring Tracy Bell.

Sincerely,

Beverly Kendy
