To Whom It May Concern,

Re: Tracey Bell, Entertainer

I am writing to confirm that we had bookings with Tracey Bell on Oct. 25'04 in Vancouver, Oct. 26'04 in Victoria, Nov. 1'04 in Kelowna and Nov. 3'04 in Burnaby for 4 launch events held for Rogers Wireless sales staff and dealers.

Tracey put on a fantastic show performing as Marilyn Monroe, Madonna, Celine Dion and Cher. Her impersonations were unbelievably realistic and we could not believe what professional and entertaining shows were put on. The crowd absolutely loved her performance we feel that these launch events were the most successful we ever put on, mostly due in fact to Tracey's wonderful performance's. Her presentation was flawless, she involved the crowd in her show and she was wonderful to work with.

I highly recommend Tracey Bell to anyone looking for unique & exceptional entertainment for their corporate or individual event.

Warmest regards,
