Date September 29 - October 2

Dear Tracey:

On behalf of the BCSMT Congress '93, I would like to express my gratitude for your performance at our banquet. You were the "hit" of the congress. To say that everyone enjoyed your show would be the understatement of the year! Your contribution helped to make our congress a great success and we look forward to seeing you again in the future. Thank you again!

Sincerely,

S. Young
