Re: Entertainment for Davie Day 2004

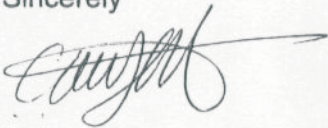

Dear Tracey,

I just wanted to take this opportunity to thank you again from the bottom of my heart for your amazing contribution to Davie Day. When I initially started booking talent for this event, your beautiful, smiling face immediately came to mind. I needed an entertainer who could kick-off the event, and if anyone could get us started that day I knew it would be you. Once again, your talent never ceases to amaze me. Not only did you kick-off this event with style, you left us with enough positive energy to last the entire day.

Your performance set a high energy, high-class tone for the entire event and I am extremely grateful to you for sharing your talents with us on this important day. I will highly recommend your show to anyone, anywhere. You get funnier with each performance. A touch of glamour, glitz, humour and pure talent all rolled up into one big surprise after another.

Thank you again for making Davie Day such a hit! You truly are an original!

Sincerely

Clarke Wright
