Ms. Tracey Bell

Dear Tracey,

We still haven't recovered from the incredible performance you gave here in Dallas for our "Evening of Chocolate Decadence" last month during the Conference! Your joyful, fun spirit and talented impersonations not only energized us for a superb evening, but made it a true "experience!" You were fabulous! It provided us with a well needed break from business during the Conference so that we could relax and have fun with old and new friends!

Thank you for all you did to make our evening so special! Your own personal willingness to participate in the other Conference activities (I'm sorry you didn't win anything at the Tiffany event!), along with your wonderful spirit and gentle smile, made a lasting impression on all of us. You far exceeded our expectations for the "Evening of Chocolate Decadence" entertainment, and have set the bar very high in the years to come. I don't know if you've had a chance to see the photos on line of the evening, but when you do, the faces of the Conference attendees will tell it all!

Take care, Tracey, and please keep in touch with us! I know I will be hearing great things about you in the future!

With warmest regards,
